

## 2011 Sign On Welcome Back

All registered players from 2010 should return their completed 2011 registration form to the Club Registrar by Friday 28 January 2011. This will ensure their successful registration and help accommodate any preferences for team allocation (in accordance with club policy).

Please check your pre-populated form mailed out in mid January for accuracy and return **with payment** and remittance advice in the reply paid envelope that was enclosed in the mail out.

Players will be allocated to last season's team provided their registration form is **received no later than 28 January 2011**. Team allocations will commence on Sign on weekend and we cannot hold places open after this date.

*If you have completed, signed and returned the forms and paid the required fees, you will not have to attend the club sign-on days.*
