

## **CAPS, SHIRTS and GEAR BAGS**

---

The club will provide all players with a club shirt, a cap depicting the club logo and a gear bag for personal use.

---

In order to promote the club's profile and team spirit all players are to wear their club cap and shirt to games and change into the club jersey for the warm up and game. Please ensure both items are clearly labeled with the player's name. Please do not wear your club shirt to training.
